

Friday 22nd May This programme is subject to some change*

	Infante Lecture Hall	D. Maria Hall	D. Luis Hall	Miragaia Hall
11:00 - 11:15				DMEK Wetlab 1
11:15 - 11:30				
11:30 - 11:45				
11:45 - 12:00				
12:00 - 12:15	Symposium Therapeutic Refractive Surgery for Abnormal Corneas - Joint Symposium with Portuguese Society of Ophthalmology (SPO)	Free Paper Session 1: Endothelial Keratoplasty	Presented Poster Session 1: Corneal Transplantation & Keratoconus Case Reports	
12:15 - 12:30				
12:30 - 12:45				
12:45 - 13:00				
13:00 - 13:15				
13:15 - 13:30				
13:30 - 13:45				
13:45 - 14:00	Industry Symposium	Instructional Course 1: Corneal Crosslinking from A to Z: Recent Trends & Current Updates	Presented Poster Session 2: Infections and Inflammation Case Reports	DMEK Wetlab 2
14:00 - 14:15				
14:15 - 14:30				
14:30 - 14:45				
14:45 - 15:00	Young Academic & Senior Hot Topic Session: Challenging Surgical Cases in Cornea	Instructional Course 2: A Novel Artificial Endothelial Lamellar for treating high-risk Endothelial Decompensation	Presented Poster Session 3: Keratoconus & Collagen Cross Linking	
15:00 - 15:15				
15:15 - 15:30				
15:30 - 15:45				
15:45 - 16:00				
16:00 - 16:15	Industry Innovation News Session	COFFEE BREAK	Presented Poster Session 4: Ocular Surface Disease	COFFEE BREAK
16:15 - 16:30				
16:30 - 16:45				
16:45 - 17:00	Eucornea European Eye Bank Joint Symposium	Instructional Course 3: Suturing Corneal Grafts, Lacerations and Corneal Gluing	Presented Poster Session 4: Ocular Surface Disease	
17:00 - 17:15				
17:15 - 17:30				
17:30 - 17:45				
17:45 - 18:00				
18:00 - 18:15				
18:15 - 18:30	Welcome Reception Level 0 at the Riverfront			
18:30 - 18:45				
18:45 - 19:00				
19:00 - 19:15				

	Infante Lecture Hall	D. Maria Hall	D. Luis Hall	Miragaia Hall
08:00 - 08:15				
08:15 - 08:30	Symposium Reshaping Ectatic Cornea	Free Paper Session 2: Imaging and Biomarking	Presented Poster Session 5: Endothelial Keratoplasty	Corneal Suturing Drylab 1
08:30 - 08:45				
08:45 - 09:00				
09:00 - 09:15				
09:15 - 09:30	Opening Ceremony & Medal Lecture			
09:30 - 09:45				
09:45 - 10:00				
10:00 - 10:15	COFFEE BREAK			
10:15 - 10:30		Industry Symposium	Instructional Course 4: Management of Neurotrophic Keratopathy	Corneal Suturing Drylab 2
10:30 - 10:45				
10:45 - 11:00				
11:00 - 11:15	Global Symposium Microbial Keratitis: Controversies and Clinical Consensus - Part 1		Instructional Course 5: Combined Keratoplasty/ Cataract Surgery	
11:15 - 11:30				
11:30 - 11:45				
11:45 - 12:00				
12:00 - 12:15	Global Symposium Microbial Keratitis: Controversies and Clinical Consensus - Part 2			
12:15 - 12:30				
12:30 - 12:45				
12:45 - 13:00				
13:00 - 13:15				
13:15 - 13:30	IME Symposium Inflammation in Ocular Surface Disease: Diagnosis and Management in Today's Practice			
13:30 - 13:45				
13:45 - 14:00				
14:00 - 14:15				
14:15 - 14:30				
14:30 - 14:45		Free Paper Session 3: Infections and Inflammation	Presented Poster Session 6: Infections	Corneal Suturing Drylab 3
14:45 - 15:00	Symposium Update in Selective Lamellar Keratoplasty			
15:00 - 15:15				
15:15 - 15:30				
15:30 - 15:45				
15:45 - 16:00				
16:00 - 16:15	COFFEE BREAK			COFFEE BREAK
16:15 - 16:30		Industry Symposium	Instructional Course 6: KPRO	
16:30 - 16:45	Young Academic Challenge Quiz			
16:45 - 17:00				
17:00 - 17:15		Free Paper Session 4: Keratoconus and Irregular Astigmatism	Presented Poster Session 7: Corneal Transplantation & Keratoprosthesis	
17:15 - 17:30	Young Academic & Senior Hot Topic Session: Challenging Surgical Cases in Cornea			
17:30 - 17:45				
17:45 - 18:00				

Sunday 24th May

This programme is subject to some change*

	Infante Lecture Hall	D. Maria Hall	D. Luis Hall
09:00 - 09:15	Free Paper Session 5 PRK and DALK	Instructional Course 7: Clinical Applications of Corneal Imaging	Presented Poster Session 8 Cornea and Refractive Surgeries
09:15 - 09:30			
09:30 - 09:45			
09:45 - 10:00			
10:00 - 10:30	COFFEE BREAK	COFFEE BREAK	COFFEE BREAK
10:30 - 10:45	Symposium Ocular Surface & Auto-Immune Disease Joint Symposium with EUDES	Instructional Course 8: Advances in Corneal Endothelial Rehabilitation: Transplantation, EndoArt, and Emerging Cell-Based Therapies	Presented Poster Session 9 Keratoconus & Collagen Cross Linking
10:45 - 11:00			
11:00 - 11:15			
11:15 - 11:30			
11:30 - 11:45			
11:45 - 12:00			
12:00 - 12:15	Free Paper Awards & Closing Remarks		
12:15 - 12:30
